

# BLAUSEE AG AND ITS MISSION

## **Hospitality**

We live and breathe hospitality to perfectly cater to our customers.

## **Own-initiative**

We take on responsibility. We are always on the ball and plan ahead. Our goal is to find the best solution for each particular challenge.

## **Sustainability**

We work responsibly with all our resources and strive for respectable sustainability. This is how we achieve our economic and ecological goals. We encourage people to engage in the sustainable preservation of our branches.

## **Quality**

With our services, we always strive to attain top quality and create positive experiences for our guests, visitors, customers and partners.

## **Team**

We live and breathe the concept of teamwork. We can rely on each other. We are helpful, respectful, loyal, and promote a climate of mutual appreciation.

## **Authenticity**

The joy we feel in our work is authentic, our smile genuine. We identify with Blausee AG and its products.

## **Flexibility**

We work flexibly and efficiently to guarantee good services. We are open to customers' wishes and desires.

## **Friendliness**

We live and breathe friendliness and warmth, with regard to everyone, and create trust with our words and deeds.

## **Communication**

We communicate openly and honestly with each other and provide the information required in good time. This promotes better collaboration.
