

SEMINARS and CLAUSURES

in creative ambience at Blausee

DEAR SEMINAR-ORGANIZER

Welcome to Blausee - a small place of power for great inspiration!

"Make a day of it" - The Blausee in the Kandertal - an inspiring place in nature at the water's edge, far away from the hustle and bustle of everyday life to develop strategies and visions, solve problems and make room for new ideas ...

The small hotel with 21 rooms, nature park and fish farm was built in 1878 and has since then developed into a small jewel in the crown of Swiss tourism. The small power place with 22 hectares of land is as big as the Vatican in Rome. We cannot offer 5-star luxury, but a unique nature park with impressive rock formations and crystal clear deep blue lake.

The restaurant, banquet and seminar rooms, as well as individual hotel rooms, were renovated in spring 2017. The meeting rooms have modern facilities for creative retreats, conferences and seminars. Let our cuisine spoil you with regional top products, including the famous Blausee organic trout and lived hospitality.

To make sure that fun and entertainment are not missed out, we have interesting, unique and enjoyable supporting programmes ready for you: pickle organic trout or guided tours of the park and fish farm provide variety and will be remembered for a long time.

Your hosts are looking forward to seeing you!
